

Agreement to Abide by Program Expectations and Regulations

Students enrolled in Johns Hopkins University Summer at Hopkins coursework must comply with the university's undergraduate academic regulations, policies, and procedures governing student life and academic integrity. Rules and regulations provide the basis for a reasonably ordered academic community. Without the personal appropriation of the values they protect, the mere observance of regulations falls short of Johns Hopkins University's expectations. Johns Hopkins University summer online courses have the same expectations for academic rigor, student achievement, and course conduct integrity as face-to-face courses offered by the university.

Please review the following sections and complete forms where necessary:

Adhere to Johns Hopkins University Policies and Procedures

Students are held accountable to all Johns Hopkins University policies and procedures that govern students. Please review the following policies closely, as violations may lead to documented violations and dismissal from courses:

- [Homewood Undergraduate Academic Ethics Policy](#)
- [Student Conduct Code](#)
- [Discrimination and Harassment Policy and Procedures](#)
- [Sexual Misconduct Policy and Procedures](#)
- [Acceptable Use and Security of Johns Hopkins Information Technology Resources](#)

Review Your Summer Course Schedule and Policies

Students are responsible for their student record and adherence to all university student-life and course-specific policies and procedures, including modifying schedules, attendance, completion of assignments, tuition payment, and refund guidelines. The Summer at Hopkins Orientation Canvas course provides detailed information on managing a student account.

Please review the [Summer at Hopkins Course Change and Refund Timelines](#) page to familiarize yourself with the process and timeline.

Requesting Academic Accommodations

Johns Hopkins University is committed to providing reasonable accommodation for students with documented disabilities. Student Disability Services (SDS) works with students to ensure they have the accommodation they need to be successful.

To receive accommodation for a disability, a student must register with the JHU Office for Student Disability Services. You must register no later than two weeks before the first day of class.

To request accommodations for this summer, please complete the [SDS Registration Form](#). If you have registered with SDS for accommodations during a previous summer term, please contact studentdisabilityservices@jhu.edu to ask about renewing your accommodations for the current term.

To learn more, please visit the [Student Disability Services](#) website.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Johns Hopkins University General (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Johns Hopkins University General:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To advise Johns Hopkins University General of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at privacy@jhmi.edu and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Johns Hopkins University General

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to privacy@jhmi.edu and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Johns Hopkins University General

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to msaulyn2@jh.edu and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.
